

COMO SE JUEGA

Este juego te permitirá saber más sobre tus compañeros de clase.

Habrá letreros colgados en cada esquina. El profesor leerá una lista de elementos y deberá moverse a la esquina que mejor lo describa. Aunque es posible que no te muevas siempre, debes elegir una esquina, sin pararte en el medio. Ejemplo de su color favorito: esquina 1 - rojo, 2 - azul, 3 - rosa, 4 - amarillo.
